not only is this the most comprehensive english swahili dictionary to date about 60 000 entries it is also the first one to include phonetic transcription it covers all major fields of interest american pronunciation is shown in cases differing from standard british pronunciation in addition the dictionary abounds in synonyms and suggested alternative translations in other words this is a book not only for looking up in but also for learning from willy kirkeby has taught at secondary schools in norway germany and tanzania and has been compiling a comprehensive selection of dictionaries these include english norewegian and norwegian english dictionaries in both comprehensive and smaller editions

in this collection of ethnic group histories written by authors from the mara region of tanzania local people tell their stories as a way to inspire development that builds on the strengths of the past it combines histories from the small but closely related ethnic groups of ikizu sizaki ikoma ngoreme nata ishenyi and tatoga in south mara east of lake victoria and west of serengeti national park many of the authors compiled their stories by meeting with groups of

elders they were concerned to preserve history for the next generation who had not taken the time to learn the stories orally the stories were written in swahili and translated into english with annotations and an introduction so that readers not familiar with this region might also share in the experience it also includes transcriptions of oral interviews with some of the same stories to get a sense of the ongoing conversations about the past this collection makes local history told in a local idiom accessible to students of african history interested in social memory and the creation of ethnicity

the texts both written and aural provide valuable perspectives on the second half of the 19th century in particular
